on How He'll
Change Washington

• **United States Vehicle Registration**
• **Service**, 2004 17th St., NW; 202-342-
• 2558; *usvrs.com*. Whether you're in DC,
• Maryland, or Virginia, 15-year-old
• USVRS can handle your registration, in-
• spection, title work, lost tags, and park-
• ing permits. It'll also retrieve a car from
• impound, get a boot removed, and take
• your vehicle to the shop. About the only
• thing it can't do is get your license,
• which requires *your* photo and signature.
• Turnaround is usually one day. Prices
• range from \$75 for registration renewals
• to \$150 for boot releases; more complex
• suburban problems cost more.
